

TAROT - Sacred Journey of the Soul

TAROT COUNSELING NEWS

Tarot Alive!

The "Tarot Alive" retreat evolved from the exploration we have been doing in the annual Tarot Retreats at Earth Heaven Farm. By stepping into the essence of the Tarot archetypes, as symbolized in the major arcana of any tarot deck, we embody the character and meaning of the trump and may integrate it's wisdom into our lives.

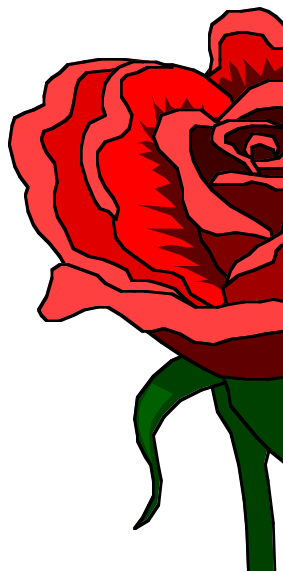

Each participant selects a major arcana card which is present in her/his life. Studying the characteristics, personality, role, lessons, and focus of the trump, we then costume ourselves to enact the energy of it's spirit.

We then interact with each other, as our chosen card, noticing it's style of relating. We may ask ourselves how we are like this character, or examine how differently we identify from the nature of that card.

This is a fun way to learn the symbolism and significance of each major arcana card while taping into our personal creativity. Come join us!
