

# TAROT - Sacred Journey of the Soul

## TAROT COUNSELING NEWS

### The Tower

For those of us familiar with the Tarot, we recognized the sign of the XVI Tower card while watching the World Trade Center burn and then collapse in NYC. Many associations apply to this card be it the Tower of Babel, a symbol of megalomania in the Bible, the radical collapse of an old order, or breaking through the restrictions of our mind to a higher consciousness.

The transition from order through chaos takes courage, as represented by the VII Chariot card. (Numerologically they are related,  $1+6=7$ ). Movement and change are the tasks before us now as we transcend fear to embrace the inevitability of a brave new world.
