

# TAROT - Sacred Journey of the Soul

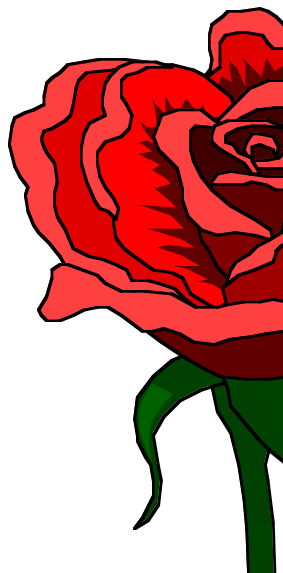

## TAROT COUNSELING NEWS

### Destiny Cards

Using your birthdate, *Destiny Cards* reveals your future and gives insight into your past. They guide you with accurate and insightful forecasts on finances, career, travel, health and relationships. It is an in-depth system based on ordinary playing cards combined with an ancient Egyptian science.

Destiny Card reports are available in two formats. The *Book of Destiny Annual Report* contains personal detailed information about one year of your life. The *Love Cards Report* covers the relationship between two people. You learn about compatibility, romance, love, marriage, karmic and past life connections.
