## TAROT COUNSELING NEWS

### Metaphysical Tarot Studies

Those who study the Tarot may be familiar with esoteric influences which enhance the symbolism and use of the cards.

Knowledge of the Tarot is deepened when studying Astrology, Alchemy and the Kabbalah. Other powerful influences may include mythology, numerology, the I Ching, symbolism, dream work and magic. To offer readings, counseling skills and ethical guidelines are essential.

For Tarot students interested in these more advanced studies, a new series of classes is being offered in Portland, Oregon. If you are interested in sponsoring a class in your area, contact me for more details.

Please call or visit my website for more information.
