Sacred Journey of the Soul

WHY STUDY TAROT?

Tarot cards carry a mystique. Many people are curious about this ancient oracle and some are brave enough to pick up a deck or open a book. I say “brave” because of the many taboos and misrepresentations that have been perpetrated against the Tarot, even today!

Fortunately, many of us have transcended the dark ages of superstition and come to understand that Tarot cards are a useful tool for introspection, intuition and higher guidance.

What makes this system unique is its ability to empower the reader, and potentially the client, by tapping directly into universal wisdom.

“Effective use of the Tarot breeds readiness to face new endeavors, self-confidence, emotional control, mental stimulation, and spiritual unfoldment.” (Lynn Buess, *The Tarot and Transformation*)

In my 14 years teaching Tarot, I’ve had the honor of initiating thousands of students into their personal journey with Tarot wisdom.

To learn more about the Tarot, plan to attend one of my “Beginning Tarot” workshops at New Renaissance Bookstore in Portland, Sunday, November 11, or Saturday, February 16. Also available is “Intermediate Tarot” on Sunday, December 2, at Awakenings Wellness Center in Portland!

TRANSFORMATIVE TAROT COUNSELING™ CLASSES

Beginning Tarot

In order to communicate with the Tarot, the student must learn *it's* language, a "visual symbolic language." The Beginning class is designed to demystify the cards and initiate your journey into Tarot wisdom.

"A picture speaks a thousand words" and each Tarot card speaks volumes. Imagine being able to pick up a card from any deck and receive a meaningful message. By the end of the class you will be able to perform a basic one-card reading for yourself, friends and family.

Topics covered in this class include: history of the Tarot, care of your cards, overview of the deck, symbolism, and easy ways to develop keywords to relate to each card.

Bring your favorite deck, or one will be provided for you. We'll have an assortment to view and compare visually. There will be many helpful handouts. You'll be amazed at how much you can learn in just one day!

Beginning Tarot is focused on knowledge of the card, while the Intermediate Tarot workshop continues the lesson with development of reading skills; intuition building, use of various layouts, and practice readings.

For more information about these classes or others I offer, please visit my website to read the class summaries, accessed via the "Classes & Programs" or "Schedule" button.

PRIVATE SESSIONS

When I'm not at a fair or teaching a class, I'm available for private Transformative Tarot Counseling™, Dream Analysis or counseling sessions. I bring over 30 years of Tarot knowledge and 18 years of professional counseling experience to my work.

Appointments are scheduled in Portland, Yachats, or over the phone. I accept cash, personal checks, and some credit cards.

Love & Light,

Katrina
