TRANSFORMATIVE TAROT COUNSELING™ CLASSES

Finding Your Soul Purpose in Life

Within my counseling practice as well as my private Tarot sessions runs a theme touching most clients' concerns, "who am I and what is my life really about?"

In one form or another, that is the essence of what many people suffer. They feel cut off from their source, their life's compass. Being off point can lead one to make poor or wasteful decisions with one's time, resources, and especially, relationships. If a client is asking, "Is this job/love/move right for me?" What is really being said is "I don't know myself, nor trust my decisions." This reflects a lack of deeper resonance with one's life and personal decision making. This can lead to feelings of inadequacy or low self-esteem.

By taking the time to look deeply at yourself while asking probing questions about your history, strengths, vision, and passion, you can uncover your God/dess-given *Soul Pupos*.

I've designed the "Finding Your Soul Purpose" workshops to lead each student through a visioning process to identify and formulate a "Mission Statement" that clearly and easily reflects one's greatest passion in life. I hope you can join us in this powerful experience.

For more information about my classes, please visit my website to read the class summaries, accessed via the "Classes & Programs" or "Schedule" button. I am also available by phone or email to respond to your inquiries.

PRIVATE SESSIONS

When I'm not at a fair or teaching a class, I'm available for private Transformative Tarot Counseling™, Dream Analysis or counseling sessions. I bring over 30 years of Tarot knowledge and 20 years of professional counseling experience to my work.

Appointments are scheduled in Portland, Yachats, or over the phone. I accept cash, personal checks, and some credit cards.

Love & Light,

Katrina
