“MY SACRED JOURNEY” WEBLOG

I am excited to announce my new weblog:

MySacredJourney.org

Staying true to my Vision Statement, I'm coming out of the woods to share my knowledge, experience, ideas and perspectives with the cyber-world.

My Sacred Journey weblog is about me, you, our individual journeys and our unity. The purpose of this weblog is to share the private musings and thoughts of a reclusive mystic with those who might resonate with such information.

Currently, the weblog has several posts on topics such as “Our Sacred Journey,” “Obama’s Tarot Numerology,” and “2012, Mayan Calendar and Tarot.”

I would enjoy hearing your ideas about topics you'd like me to write about...now that I am out of seclusion and sharing with the world.

Please visit this new weblog and let me know what you think. Eventually, I'll have all the bells and whistles figured out so you can subscribe.

TRANSFORMATIVE TAROT COUNSELING™ CLASSES

2012, Mayan Calendar and Tarot

It is now 2009 and we are already in the preparation period for whatever profound shifts or opportunities are coming our way as we approach 2012.

What is the significance of 2012? First, based on several recognized authorities on Mayan calendars, the Mayan "galactic" calendar ends December 21 (or October) of 2012, marking our alignment with the galactic center, from Earth to the Milky Way.

A multitude of theories exist on the significance of this alignment, from Armageddon and spiritual ascension, to biological improvements in our DNA and evolutionary leaps (Google Carl Calleman or Barbara Hand Clow).

There are surprising correlations between the Mayan calendar conclusion and the "Sacred Journey" that we share through the archtypes of the major arcana of the Tarot. If we apply the wisdom of the Tarot to the significance of these times, our unfoldment as a species and planet is much clearer.

The theme for my public presentations this year is the relationship between 2012 and the sacred journey through the Tarot ... it's lessons and wisdom. I hope you can attend!

For more information about my talks and classes, please visit my website for class summaries, accessed via the "Classes & Programs" or "Schedule" button. I am also available by phone or email to respond to your inquiries.

PRIVATE SESSIONS

When I'm not at a fair or teaching a class, I'm available for private Transformative Tarot Counseling™, Dream Analysis or counseling sessions. I bring over 30 years of Tarot knowledge and 20 years of professional counseling experience to my work.

Appointments are scheduled in Portland, Yachats, or over the phone. I accept cash, personal checks, and some credit cards.

Katrina
