ANNUAL TAROT RETREAT

What is the Tarot Retreat?

Since 1996 Tarot enthusiasts have been gathering in the woods near the coastal town of Yachats to share their interest and growing knowledge of Tarot. The weekend has three 3-hour sessions, including "Tarot Alive™", an interactive Tarot actualization experience.

Our time together is filled with exchanging the latest news, from decks and books, to Tarot skills and wisdom. Each session is a "leader-full" experience with great information flowing among the participants. All levels of Tarot or oracle familiarity are welcome!

Included are free camping and an organic dinner with fresh produce from the Earth Heaven garden!
